

Medical Benefits

This chart provides an overview of medical plan benefits. For plans administered by Anthem Blue Cross, the information contained in applicable service provider agreements between PG&E and Anthem Blue Cross shall govern in case of conflict between this chart and the service provider agreement. For HMO plans, the information about the HMOs or the insured products contained in an applicable Evidence of Coverage (EOC) or service provider agreement between PG&E and the HMO or service provider shall govern in case of conflict between this chart and the EOC or service provider agreement.

*Eligible Expenses are: (1) expenses for Covered Health Services that are covered by the plan; (2) those that Anthem Blue Cross considers "Medically Necessary" for the diagnosis or treatment of an illness or injury; and (3) those that do not exceed the "Reasonable and Customary" rate as determined by Anthem Blue Cross. Any costs not meeting this definition are the responsibility of the member. Call Anthem Blue Cross Member Services for more information.

Prescription Drug Benefits

The information in this chart is intended as a high-level summary of prescription drug benefits.

Network Access Plan (NAP), Comprehensive Access Plan (CAP) and Basic Plan

Medco Health administers prescription drug benefits for the NAP, CAP and Basic Plan. Please note:

- The NAP, CAP and Basic plans have annual prescription drug out-of-pocket maximums that are separate from your medical plan and MH&AD out-of-pocket maximums.
- Some drugs may require special authorization from Medco Health to ensure that they are medically necessary and used appropriately, as determined by the FDA and manufacturer.
- Manufacturer rebates are earned when participants purchase certain prescription drugs. The value of these rebates is based on the contract that Pacific Gas and Electric Company, as plan sponsor, has with Medco Health. These rebates are received from Medco Health approximately six months after the end of the contract quarter in which the drug was purchased and are returned to the company. The cost of the plan is reduced by the value of the rebates, which in turn reduces participants' premium contributions.

For specific information about Medco Health prescription drug coverage, call Medco Health's Member Services department directly, or visit its Web site at www.medcohealth.com.

Health Maintenance Organizations (HMOs)

The HMOs provide retail and mail-order prescription drug coverage for their members, not Medco Health. For specific information about your HMO drug coverage, contact your HMO directly (contact information is listed on page 24 of the *Guide*).

***Generic Incentive Provision:** If you purchase a brand-name drug when a generic is available, you'll be responsible for paying the price difference plus any required coinsurance. Note: Any generic/brand price differential you pay is a non-covered expense and therefore does not count toward your annual out-of-pocket maximum. Drugs listed on Medco Health's "Narrow Therapeutic List" will be excluded from this mandatory generic provision.

Mental Health and Alcohol and Drug Care (MH&AD) Benefits

The following chart provides an overview of mental health, alcohol and drug care (MH&AD) benefits. If you are enrolled in NAP, CAP or Basic, your mental health, alcohol and drug care benefits are administered by ValueOptions. If you are enrolled in an HMO, they are administered both by your HMO and ValueOptions, depending on the type of care you receive.

When care is provided by **ValueOptions**:

- Pre-authorization is required for inpatient and hospital stays; you must obtain it within 48 hours of the start of treatment. Care that is not authorized by ValueOptions within 48 hours but that is medically necessary is subject to a \$300 pre-authorization penalty. Care that is not medically necessary will not be covered.
